1990 NUTS MEDAL

MEMBERSHIP DUES

It's that time of year again. Yes, it's time to pay our membership dues. But, what a bargain, considering the newsletter and all of the other club benefits. As stated in last month's newsletter, the 1990 dues are \$9.00 for single membership and \$13.00 for families.

FROM THE PRESIDENT

The Christmas dinner was really nice. The food was good and we gave away a lot of nice prizes to the club members. We presented awards to the officers and board members for their service to the club. We also gave awards to those members who spent time working on the Coin and Token Show and to Kristian Wang and Mark Kasteler for their help in getting the Token Hunter out each month. Bill Turpela was the only member to receive the 100% Attendance Award. Way to go Bill. The Edith Attebury Award for the best article in the Token Hunter was given to Joe Davich, posthumously, for the Park City Token Notes.

For this new year we need to start thinking about the Coin & Token Show, this year's medal design, and the club dig trips. Make up your designs for this year's medal. We will be selecting the design at the February or March meeting. Remember, we just need the design for one side of the medal. Also, start working on your displays for the Coin and Token show. It's a lot easier to put one together if you spend some time making up the display, rather than attempting to do it at the last minute.

The speaker for January is Marlow Peterson from Layton, Utah. Marlow is a marble collector. He also collects bottles, sand paintings, coins and has a good knowledge of minerals. The speaker for February is Chuck Morris, owner of Chuck's Enterprises in North Salt Lake. Chuck sells several brands of metal detectors including Whites, Teknetics, Bounty Hunter, Garrett, Compass, and Fisher. I bought the three detectors I have from Chuck. March will be bourse nite. Get your traders and sellers together and make up your want list for the March meeting.

Remember, the members who come out to the meetings are the ones who will have the tickets at the Christmas dinner. See you at the meeting.

BYRON

Bill's Bull

Wow! A New Year and a new decade. I hope our club can continue to grow during the coming year. We had a super time at the club Christmas dinner. Those of you that couldn't make it missed a good meal and a lot of great prizes; keep it mind for next year.

With winter now upon us, it's time to go through and clean up some of our junk finds and see if we may have found something neat; but it's also time to clean and put away all that screening and detecting equipment. Now that we have done this and we're still bored to death, we do what the old time members tell us to do in the winter and do research on a token or a ghost town to visit during the upcoming year.

The following story is about one such thing. It all started with a friend of mine and yours, Bruce Dugger. He was detecting on the eastside of Salt Lake City in a old yard. He found a token with the name John Maccono and Good For 5¢ In Trade, on the obverse and reverse blank. It is octagonal in shape and approximately 25mm in size. He offered to trade it for an old blue bottle I had found at Eureka dump.

Bruce and I went to the Utah Historical Society to research this token. We checked the Salt Lake Directories, year by year. We were lucky and found the following information:

- a. 1892-95: John Maccono, Mr. Lessi and a brother, Joseph Maccono, were listed as owning a fruit stand at 59 South State Street, SLC. Joseph Maccono later moved to San Francisco.
- b. 1896-1902: John Maccono was listed as owning a retail confectionary business at 81 East 1st South, SLC. Also, his home residence was listed as the same. This is probably when the token was made and used.
- c. 1904: He was listed with the Bouquet Saloon for one year at 18 West 3rd South, SLC and again in 1908 as a grocer at 702 South West Temple, SLC, but again, one year only.
- d. No information was available for the year's 1903, 1905, 1906, and 1907 or after 1908. He apparently moved.

It was a lot of fun checking into this token, so if you get bored and the cold frozen ground has you down, go to your local library or the Historical Society and do some good ole research for the upcoming year. See you all soon at the club meeting or the library.

Editor Comments

As the new editor of the Token Hunter, I'm excited but somewhat apprehensive. Norm has done an exceptional job; it will be hard to follow in his footsteps. But I will give it my best; and with your help we can continue to make our newsletter great.

If any of you have articles you would like to submit send them to me at: P.O. Box 203, Grantsville, UT 84029. Send in articles about your digs, finds, or anything else which will be of interest to the club.

Our sincere sympathy to George Wilson and his family; his older brother was killed in a traffic accident, December 29, 1989 in Nephi, UT.

New Members

We'd like to welcome the following new members:

OUR

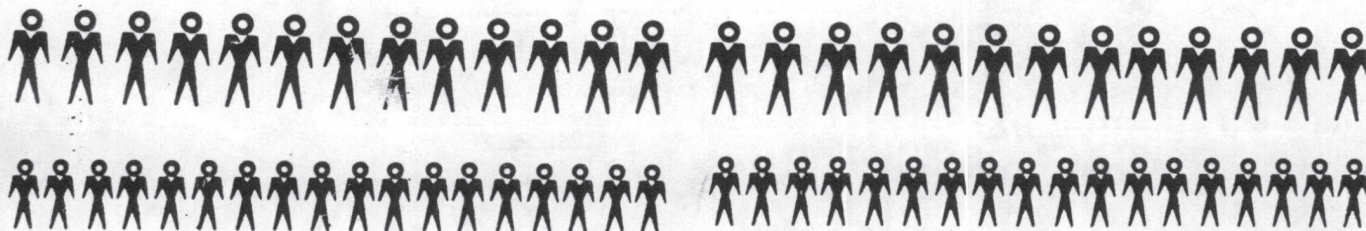

CLUB

CAN

Continue To Grow

BUT WE NEED ALL YOUR SUPPORT. DO YOU KNOW ANYONE WHO IS INTERESTED IN COLLECTING, RECORDING, AND PRESERVING TOKENS AND MEDALS? IF SO, WHY NOT BRING THEM TO THE NEXT MEETING OR GIVE THEM A COPY OF THE MEMBERSHIP APPLICATION PROVIDED IN THIS ISSUE. LET'S ALL JOIN THE BAND WAGON AND BRING ONE NEW MEMBER.

THE NATIONAL UTAH TOKEN SOCIETY

The National Utah Token Society is dedicated to collecting, recording, and preserving tokens and medals, particularly Utah tokens and medals. Club members have a variety of collecting interests. Also, many are metal-detecting treasure hunters. The club meets monthly at the Redwood Multi Purpose Center, usually on the fourth Thursday of the month. Club meetings include a raffle and prizes, an informative speaker, informal gab, and lots of fun. The club also organizes treasure hunting "digs" and publishes a monthly newsletter, the Token Hunter. Annual membership is \$9.00 for an individual, and \$13.00 for a family. If you would like to join, or would like more information, send your name and address (and a check for membership, if you like) to:
